

## Remarks

The previously pending claims were rejected as obvious over Allison (6,373,848) in view of Belkin (U.S. 6,604,125). Attorney for Applicants has cancelled the previously pending claims and submits new claims 45-60 for consideration. Attorney for Applicants does not understand the combination of Allison and Belkin to teach the subject matter of the pending claims. For example, among other distinctions, Allison does not disclose multiple programmable processors to provide multiple receive threads.

The Examiner is encouraged to contact the undersigned with any questions or comments regarding this matter
